This means, if YOU acquire one or more products from the Super Retro World game assets collection through Sunny Valley Studio courses, here are what you can do with them :

! YOU need to :

- Credit the authors and mention our social account (Twitter) :  
Gif (@gif\_not\_jif)  
Noiracide (@Noiracide)  
Romi (@DessRomaric)

✓ YOU can :

- Use the assets for NON-COMMERCIAL project only (see below for commercial usage)
- Adapt and/or modify the assets to match your project.

✗ YOU can NOT :

- Use the assets for commercial project ==> YOU need to acquire the commercial licence by buying directly the assets on itch.io or on the Unity Asset Store :  
itch.io : <https://itch.io/s/67807/super-retro-world-complete-collection->  
Unity Asset Store :  
<https://assetstore.unity.com/packages/2d/environments/2d-rpg-topdown-tilesets-pixelart-assets-mega-bundle-212921>
- Distribute or sell those assets directly (even modified).
- Claim the asset yours.
- Use the assets for a NFT/metaverse project.

Depending of your project, we appreciate if YOU can encrypt your assets data when distributing on the internet (to prevent theft).
